THE CHAIR SPEAKS

JOE LISSBERGER

This will be my last from the chair article as I will be doing the treasurer's job for the next year. I have enjoyed being your chair and feel honored that the section has worked together over the past three years that I have held that position and we are now ready to move ahead with new officers starting July 1st. I do hope that you will work with Octavio as you have with me. This month's meeting will be very important as we are going to discuss the survey and come up with some choices that may change the section meetings. I hope everyone will be present. Thank you all.

Joe

RE-CERTIFYING AND ASQ CERTIFICATIONS

STEVEN SCHAFER

Out of a total of 9 member(s) whose certifications expired December 2010, 4 will lose their certifications if they do not re-certify by the end of June 2011, 0 member(s) re-certifications are being processed and 5 member(s) completed their re-certifications.

Out of a total of 7 member(s) whose certifications will expire June 2011, 7 will lose their certifications if they do not re-certify by the end of December 2011, 0 member(s) re-certifications are being processed and 0 member(s) completed their re-certifications.

Members can re-certify early! As long as you have enough points to re-certify early, you can. Your Certifications will be extended 3 years beyond the certification expiration date you currently have for your certification, so you don't lose anything by re-certifying early. Out of a total of 10 member(s) whose certifications will expire December 2011, 10 will lose their certifications if they do not re-certify by the end of June 2012, 0 member(s) re-certifications are being processed and 0 member(s) completed their re-certifications.

If anyone has questions on how to re-certify to extend their ASQ Certifications and/or how to synchronize them if they have more than one, please let me know. Re-certifying by exam costs more and is a lot more difficult than re-certifying through the accumulation of RU points. You can reach me, the Re-Certification Chair, at 915-241-4780. Please leave a message on the answering machine if no one answers and I will call back you as soon as I can. You can also reach me via the Internet at spikeguate@sbcglobal.net. I am ready to help with any questions you might have about Re-Certifying or about any ASQ Certifications you might have, call me. The Re-Certification Journal is at the following link and will guide you in the re-certification process
